DATA PROCESSOR

described and claimed in the attached specification, that I understand the content of the attached specification,
that I do not know and do not believe the same was ever known or used in the United States of America be-
fore my or our invention thereof, or patented or described in any printed publication in any country before,
my or our invention thereof or more than one year prior to this application, that the same was not in public
use or on sale in the United States of America more than one year prior to this application, that the invention
has not been patented or made the subject of an inventor's certificate issued before the date of this applica-
tion in any country foreign to the United States of America on an application filed by me or my legal repre-
sentatives or assigns more than twelve months prior to this application, that I acknowledge my duty to dis-
close information of which I am aware which is material to the examination of this application, and that no
application for patent or inventor's certificate on this invention has been filed in any country foreign to the
United States of America prior to this application by me or my legal representatives or assigns, except as
follows:

I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and to transac-
